

CREE QUICK SHIP PROGRAM

Available & Ready To Ship

The Cree Quick Ship Program is designed to provide you with the highest quality LED lighting products quickly.

The Quick Ship list includes our most popular indoor and outdoor products, in stock and ready to ship. By selecting Cree Quick Ship items, you will:

- Provide exceptional delivery responsiveness to your customers.
- Accelerate LED adoption.
- Increase your sales by making customers happy.

Program Guidelines

1. When contacting Cree Customer Service, identify the available Quick Ship items and ask that they be entered as Quick Ship.
2. To allow immediate shipment of Quick Ship items, enter them on a separate order from non-Quick Ship items. Please be advised that shipping and handling charges will be applied on split orders that do not meet the minimum freight allowance threshold.
3. Revision to Quick Ship lines on an order could delay shipment.
4. Orders for Quick Ship items of unusually large quantity may exceed available inventory and will therefore be subject to standard lead time. Your Customer Service Representative will be able to address ship dates for unusually large orders.
5. Cree's objective is to ship Quick Ship items within 48 business hours for orders placed before 12:00 PM Central Time, excluding weekends and holidays.
6. Cree may elect to make partial shipments.
7. The Quick Ship Program and all orders through the Quick Ship Program are subject to the Cree Sales Terms and Conditions found at www.cree.com/lighting/terms. The Quick Ship Program does not alter any pricing, warranties or other applicable terms to any order and does not alter or invalidate any pre-existing written contractual arrangement with Cree applicable to any order. Availability of Quick Ship products and the terms, conditions and guidelines of the Quick Ship Program are subject to change without notice.

Unless otherwise specified, orders that include items that are not part of the Quick Ship Program will ship according to standard lead times.

Orders that fall below the minimum freight threshold will include a shipping and handling fee equal to 9% of the order value, or \$50, whichever is greater.
