

Essentia® Series Flat Panel

LED Flat Panel – 2' x 4'

Product Description

The Essentia® Series LED Flat Panel troffer transforms any space into a modern, visually comfortable environment with superior 90 CRI light quality. The remarkably thin 2.8" (70mm) depth of the flat panel easily accommodates narrow plenums or can be suspended for a more stylish look. The 2' x 2' flat panel delivers up to 5,000 lumens of highly efficacious 100 lumens per watt light with great color quality. The enhanced optics enable the flat panel troffer to meet spaces with low glare requirements and improve the customer experience by reducing lighting fatigue.
