

# Essentia® Series Track

Flat Back Track - Line Voltage

## Product Description

The Essentia® Series Track LED Flat Back Cylinder Track Fixture is ideal for general purpose track lighting in indoor commercial, retail, or industrial applications. Designed to fit PAR20 and BR30/PAR30L lamps and is available in either white, black, or silver. This classic shape utilizes a U-shaped double yoke with a single-locking knob to secure the aiming angle. Made with deep-drawn steel flat back housing and compatible with 1- or 2-circuit track from Essentia® Series Track, Juno, Prescolite, and Con-Tech. The Essentia® Series Track flat back line comes with a performance 1-year limited warranty.

**Applications:** General purpose track lighting for indoor commercial, retail or industrial applications
