

Essentia® Series Track

Round Back Track - Line Voltage

Product Description

The Essentia® Series Round Back Cylinder Track Fixture is ideal for general purpose track lighting in indoor commercial, retail, or industrial applications. Designed to fit PAR20 and BR30, PAR30L lamps and is available in either white, black, or silver. This classic shape utilizes a rounded double yoke with a single-locking knob to secure the aiming angle. Made with deep-drawn steel round back housing and compatible with 1- or 2-circuit track from Essentia® Series, Juno, Prescolite, and Con-Tech. The Essentia® Series round back line comes with a performance 1-year limited warranty.

Applications: General purpose track lighting for indoor commercial, retail or industrial applications
